

NEXLINK® READY TO SHIP SERIES

Featuring the Intel® Pentium® Processor

Intel® Pentium® processors offer a base level performance for budget users with single tasks to accomplish. The core speed of the Intel Pentium and graphics performance are not sacrificed to stay within budget on this Ready to Ship system. All the essential features are available to the value conscious user.

PERFORMANCE AND VALUE

Providing good performance and flexibility for day to day business use such as Microsoft Office® or internet browsing, this series is the ideal tool to perform everyday tasks.

» **5X Protection II**

Business users require reliable systems get real work done. The Ready to Ship Series delivers steadfast reliability with 5X Protection II. Stable power control, overcurrent protection, static electricity guards, high quality solid capacitors and a stainless steel back I/O panel provide the best possible reliability and durability.

» **Dual Display**

Increase business productivity up to 30% by adding a second or third screen. The RTS Series supports dual independent displays with DVI and VGA connections enabling business users to maintain legacy displays and integrate newer displays.

» **Legacy Support**

Have older printers or serial connect devices that your business runs on? This series features headers for both parallel printers and serial connectivity. There is no need to upgrade your legacy peripherals when you replace your desktops.

» **U.S.-Based Support**

Seneca provides world-class support services for U.S. and international customers. Our U.S.-based customer care specialists undergo extensive training and have years of experience helping customers deploy, leverage and maintain the latest computing technologies.

NEXLINK READY TO SHIP SERIES

SYSTEM

Processor	Intel® Pentium® Processor
Operating System	Windows 10 Pro
Memory	RTS-P-4-HDD-SF: 4GB RTS-P-8-HDD-MT: 8GB
Storage	1TB
Optical Drive	24X
Connectivity	Realtek® 10/100/1000
Graphics	Intel® HD Graphics Maximum shared memory 1024MB Dual Display; DVI-D, VGA
USB	2 × USB 3.0 Ports (back) 4 × USB 2.0 Ports (2 front, 2 back)
Expandability	4 × SATA 6.0Gb/s connectors 2 × SATA 3.0Gb/s connectors 2 × PS/2 1 × TPM Header 1 × Parallel Header 1 × Serial Header
Expansion Slots	1 × PCIe 3.0/2.0 x16 1 × PCIe 2.0 x1 1 × PCI
Warranty	1 Year Depot Warranty
